## Haitian Government Delegation in Cuba for Working Visit

The Minister of Foreign Affairs and Culture of the Republic of Haiti , Alrich Nicolas, is heading a delegation from his country that is in Havana for a working visit.

The visiting delegation includes the Minister of Sports, Youth and Civic Service, Evans Lescouflair; the Minister of the Interior and Territorial Communities, Paul Antoine Bien-Aime; and the Minister of Public Health and Population, Dr. Alex Larsen.

According to Granma news daily, the visitors will hold meetings with their respective Cuban counterparts and other Government and State leaders.

In addition, they will meet with Haitian students in Cuba and will visit places of historic and social interest in Havana and Santiago de Cuba .
